

Dear Supporting Pastors and churches,

We are excited about all that God is doing here at Faith's Door Baptist Church! It is hard to believe that a year has almost past since the church began.

We are excited to be planning our first anniversary service! It is going to be a great day. We will be signing our church charter with those members that have joined during the first year. We will be spending time reflecting on God's goodness towards us during the last year. It is exciting, even as a young church, to look back and see the work God has done. Souls have been saved, some have been baptized, and some have joined the church. many have grown in their walk with the Lord. It is so wonderful to serve our Great Saviour!

Please pray with us, as we are celebrating our anniversary we will also be having a conference to remind us of the importance of church planting. It is my desire that FDBC would always be looking for and willing to be apart of any opportunity to see solid churches started! Please pray for Bro. Jermey Rowland, from Baptist Church Planting Ministry, as he preaches to us October 19-22.

Would you please also pray with us about our outreach event that will happen during this same time. To celebrate our anniversary in the community we are hold a "Community BBQ & Open House" on Saturday October 21, we are praying that many from he community will come by and get to know the church. While they are here it is our prayer and desire to have the opportunity to clearly present the Gospel to them. Would you please pray about our Open House event with us? We are praying for three specific things. 1. For the Gospel to be presented many times! 2. For good weather, we would like a nice day since most of the events will need to be outdoors. 3. we are praying for good attendance, not just a large number, but praying that people who are looking for truth would come.

Thank you all for your prayers and support. We truly appreciate your partnership in the ministry.

Josh Smith
